#### ABOUT THIS MAP:

This map is derived from a combination of data sets. The information on this map is only as accurate as the original source material.

#### Natural Communities:

The natural communities data set is from 1998 field work within Goodhue County based upon the Minnesota Land Cover Classification System data set attributes and digitizing recommendation by the Minnesota Department of Natural Resources, Metro District. Field work data and report resource material collected by Paul Bockenstedt, Bonestroo, Rosene, Anderlik & Associates.

#### Major, Township and Municipal Roads:

Collection of Goodhue County roads derived from the 2001 Mn/DOT Base Map data.

#### Watershed Basins:

The data set is derived from the 1995 DNR, Division of Waters, major and minor watershed basin boundaries data set.

#### Data Disclaimer:

Goodhue County assumes NO liability for the accuracy or completeness of this map OR any responsibility for any associated direct, or indirect or consequential damages that may result from its use or misuse.

#### ABOUT THIS MAP:

This map is derived from a combination of data sets. The information on this map is only as accurate as the original source material.

#### Natural Communities:

The natural communities data set is from 1998 field work within Goodhue County based upon the Minnesota Land Cover Classification System data set attributes and digitizing recommendation by the Minnesota Department of Natural Resources, Metro District. Field work data and report resource material collected by Paul Bockenstedt, Bonestroo, Rosene, Anderlik & Associates.

#### Major, Township and Municipal Roads:

Collection of Goodhue County roads derived from the 2001 Mn/DOT Base Map data.

#### Watershed Basins:

The data set is derived from the 1995 DNR, Division of Waters, major and minor watershed basin boundaries data set.

#### Data Disclaimer:

Goodhue County assumes NO liability for the accuracy or completeness of this map OR any responsibility for any associated direct, or indirect or consequential damages that may result from its use or misuse.
