

Jess Greenwood, P.E.
Public Works Director/County Engineer
Goodhue County Public Works Department

2140 Pioneer Road
Red Wing, MN 55066
Office (651) 385-3025

TO: Honorable County Commissioners
Scott Arneson, County Administrator

FROM: Jess Greenwood, Public Works Director / County Engineer

RE: 06 Jun 23 County Board Meeting
Road Tour

Date: 31 May 23

Summary

It is requested that the County Board decide if there will be a road tour this summer.

Background

The County Board last went on a road tour in the summer of 2022. This tour usually begins at 8:00 a.m. at the Public Works office. After a short meeting the Commissioners and staff board a van and drive around the County looking at roads, bridges, parks, and other sites of interest. This tour gives everyone a chance to actually see many of the recent improvements to the County road, bridge, and park systems, and to see sites where there are needs for future projects. The length of the tour depends on the total number of stops that are planned and usually lasts into mid-afternoon.

Alternatives

Decide if the Commissioners wish to take a road tour this year.

Recommendation

It is the recommendation of staff to take a road tour this summer to see recent improvements, ongoing projects, and to visit issues that the Commissioners should see.

If the County Board decides to take a Road Tour, then a survey of potential dates will be sent to the Commissioners to find a date for the tour.
