PERTINENT REGULATIONS UNDER HIGHWAY TRAFFIC ACT
(PUBLIC SAFETY)

1. SAFETY OF OTHER TRAFFIC- Care should be taken at all times to protect the traveling public
2. RIGHT OF WAY- Yielding of right of way—When being passed by vehicles traveling in either direction no portion of equipment or vehicles shall extend beyond the centerline of pavement or traveled way.
3. PARKING ON HIGHWAY- In case of a breakdown of vehicles or equipment the same shall be moved off of the highway right of way. In the event breakdown is such that they cannot be moved flags and flares must be placed as required by law.
4. STOP AT RAILROAD CROSSINGS- Complete stop required at all railroad grade crossing approaches by vehicles having in tow any other vehicle or any vehicle of the tractor or caterpillar type.

SPECIAL PROVISIONS- (PUBLIC SAFETY)

5. PROTECTION ON BRIDGES OR NARROW ROADS- When crossing bridges or when traveling on narrow roads where it is not possible to permit movement of two-way traffic flagmen shall be stationed ahead and behind of equipment to warn and direct approaching traffic.
6. INCLEMENT WEATHER AND HIGHWAY SURFACE CONDITIONS- Movement shall not be commenced if visibility is poor or if highway surfaces are continuously slippery. If movement has been started and the above mentioned conditions develop movement must be stopped until the condition becomes alleviated or permission to proceed has been obtained.
7. DAYTIME MOVEMENT- Movement shall be during daylight hours only unless specifically stated on page one.
8. SATURDAY-SUNDAY-HOLIDAY MOVEMENT- Unless specifically stated on page one there shall be no movement on Saturday, Sunday, or holidays.
9. TRAILER HITCH- Trailers are to be hitched so that they track on turns and do not whip.
10. CLEANING UP AFTER MOVEMENT- After movement has been completed and especially where it has been necessary to plank structure floors or where movement has been made over railroad crossings with tractor type equipment all foreign materials must be removed from the highway right of way or from railroad tracks.
11. OVERHANG- In case of overwidth of material loaded the same is to be placed on the vehicle as far as possible to the right so as to present the minimum hazard to traffic.
12. FLAGS-FLARES-LIGHTS AND REFLECTORS- Must comply with legal requirements
 - A. On all loads extending 4 feet in rear of vehicle--display red flags at least 16 inches square.
 - B. On all chain, rope or cable connections—display white flag 12 inches square.
 - C. On all overwidth loads and on disabled vehicles—display orange or yellow flags 24 inches square.
13. BRAKE REQUIREMENTS- All requirements as to brakes and method of use to be complied with in accordance with the Highway Traffic Act except as otherwise stated on page one of this permit.

PERTINENT REGULATIONS UNDER HIGHWAY TRAFFIC ACT
(ROADWAY AND BRIDGES)

14. RESPONSIBILITY FOR STRUCTURES-(Bridges or underpasses)- The permittee shall comply with all rules posted on any bridges or underpasses over or under which he shall travel, and shall assume all risks relative thereto. When a power shovel is moved under its own power over asphaltic surface bridges, running planks of sufficient strength to protect the surface must be used under the shovel tracks.
15. RESTRICTED ROADS- Movement over restricted roads in excess of posted limits not permitted.
16. TRAILED EQUIPMENT OR MACHINERY- In trailing plows, discs and similar equipment or machinery care shall be used that implements do not cut or damage the road surface.

RESPONSIBILITY

17. LIABILITY FOR DAMAGES- The permittee is responsible for all liability for personal injury or property damage which may occur in connection with this movement, and in the event any claim is made against the County of Goodhue, or any department, officer, or employee thereof, through, by reason of, or in connection with any act or omission, permittee shall defend, indemnify and hold them and each of them harmless from any claim.
18. REPAIR OF DAMAGE- In accepting this permit, the permittee agrees to repair at his (their) own expense and to the satisfaction of the County Engineer any damage to highways or structures. Work or repair may be done by the County forces at the option of the County Engineer. Cost of such work is to be borne by the permittee.
19. LICINSE PLATES AND MOTOR VEHICLE REGISTRATIONS- Vehicles shall be licensed in accordance with the laws of the State of Minnesota.

TIME LIMIT

20. Time of movement shall be during the dates as specified on page one of this permit. If extension of time is necessary in order to permit completion of movement, written authorization of such extension of time must be obtained.
This permit must be carried on the towing vehicle at all times during movement and is subject to inspection.

I (we) request permission to move the above described vehicle(s) or load which exceed the following legal limitations or are otherwise not in conformity with the Highway Traffic Regulation Act.

I (we) understand that a permit does not authorize or does not in any way apply to the use of license plates and has no effect on the motor vehicle registration or motor vehicle tax laws.

If granted this permit I (we) do hereby agree to comply with provisions of the permit to take all necessary and reasonable precautions to maintain the safety of this movement and to be responsible for all liability for personal injury or property damage which may occur in connection with this movement, and in the event any claim is made against Goodhue County, or employees thereof, through, by reason of, or in connection with any such act or omission applicant shall indemnify and hold them and each of them harmless from such claim.

Further, if granted this permit, I (we) do hereby agree to repair at my (our) own expense and to the satisfaction of the County Engineer, damage to the highways or structures thereon. Work or repair may be done by the County forces at the option of the County Engineer. Cost to be borne by the applicant.

I (we) also do hereby agree to comply with all regulations, provisions, and limitations which apply to this movement if permission is granted.

*Permission for movement over roads other than county highways must be obtained from local authorities under whose jurisdiction such roads come.
