The Zoning Ordinance promotes and protects the public health, safety and general welfare of the people of Goodhue County. The Zoning Ordinance will assist in the economic growth of the County by providing a basis for reasonable and orderly residential, commercial and industrial development; and shall encourage farmers, residents and businesses to protect the land from erosion, loss of wetlands, loss of water quality, and loss of woodlands. To achieve this purpose the Zoning Ordinance shall regulate the use of property, and the size, design, and siting of buildings that may be constructed on a piece of property. Each Zoning District has standards for buildings that govern such features like rear yard setbacks, front yard setbacks, usable open space, height, and parking. No permit shall be issued unless such building or land use is designed and arranged to conform to the provisions of the Goodhue County Zoning Ordinance and the adopted Building Code. Application for a permit shall be signed by the applicant or his authorized agent and filed with the Zoning Administrator's office.
