

# 2022 Community Health Needs Key Informant Survey

Mayo Clinic Health System, together with our county Health and Human Services, work with community partners to strengthen the quality of life, health and well-being in the communities we call home. Every three years, we conduct an assessment of the community's health needs through surveys, interviews and focus groups to determine the priority areas of health concern for local communities. With this information, we can work together to produce measurable improvements in the health of all community residents. Strategies to improve community health are best determined and implemented through partnerships between health care providers, community members and community-based organizations. Thank you for your contributions to our data collection.

## Health issues

Of the issues that impact health in our community, what are the top three that are the most important related to your sector? For each concern selected, please answer questions on who is affected, why you believe this is a concern, contributing factors, resources available and suggestions.

### Top 3 issues

Please choose three from the dropdown list below. Refer to the Healthy People 2030 list, <https://health.gov/healthypeople/objectives-and-data/browse-objectives> for descriptions of each.

The image shows a dropdown menu interface for selecting health issues. At the top, there are three selected items: "Housing", "Mental Health and Mental Disorders", and "Drug and Alcohol Use". Below these is a scrollable list of 25 health issues. The list includes:

- Addiction
- Arthritis
- Blood Disorders
- Cancer
- Chronic Kidney Disease
- Chronic Pain
- Dementias
- Diabetes
- Diversity/Racial issues
- Education
- Foodborne Illness
- Health Care-Associated Infections
- Heart Disease and Stroke
- Infectious Disease
- Oral Conditions
- Osteoporosis
- Overweight and Obesity
- Pregnancy and Childbirth
- Respiratory Disease
- Sensory or Communication Disorders
- Sexually Transmitted Infections
- Child and Adolescent Development
- Emergency Preparedness

- Family Planning
- Health Communication
- Injury Prevention
- Nutrition and Healthy Eating
- Physical Activity
- Poverty
- Preventive Care
- Safe Food Handling
- Sleep
- Tobacco Use
- Vaccination
- Violence Prevention

Concern 1

## C2: Suggestions

Do you have suggestions on how our community could design or direct efforts to be more effective?

Yes

No

## C2: What are your suggestions?

Empty text area for suggestions with scrollbars.

---

## Concern 3

## C3: Who is affected?

Please select from the dropdown list.

- Adolescents
- Children
- Infants
- LGBT
- Low income
- Men
- Women
- Older Adults
- Parents or Caregivers
- People of color
- People with Disabilities
- Workforce

C3: What makes you believe this is a concern?

An empty text input field with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The text area is currently blank.

C3: Contributing factors

What factors do you think contribute most to this health issue? (e.g. living and working conditions, structures, policies, systems, etc)

An empty text input field with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The text area is currently blank.

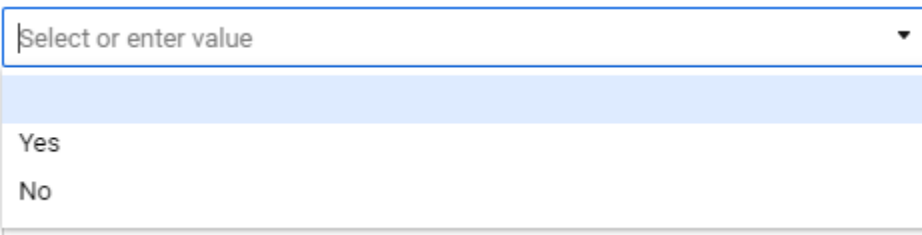

C3: Resources available to address

What activities, initiatives or resources are in your community to address this concern?

An empty text input field with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The text area is currently blank.

C3: Suggestions

Do you have suggestions on how our community could design or direct efforts to be more effective?

A dropdown menu with a light blue border. The text inside the dropdown is "select or enter value" followed by a small downward-pointing triangle. Below the dropdown, the options "Yes" and "No" are listed in a white area with a light blue background.

C3: What are your suggestions?

An empty text input field with a light gray border. It features a vertical scrollbar on the right side and a horizontal scrollbar at the bottom. The text area is currently blank.

## Demographics

We collect demographics on those interviewed for the Community Health Needs to ensure a broad, diverse representation of the community.

Which gender description best describes you?

- Male
- Female
- Non-binary

Age category Please provide your age category.

- 18-24
- 25-34
- 35-44
- 45-54
- 55-64
- 65-74
- 75+

Race/Ethnicity

- American Indian
- Asian or Pacific Islander
- Black, African, or African American
- White
- Hispanic/Latin American
- Somali
- Sudanese
- Burmese
- Karen/Kayah
- Other

Any additional comments?

A rectangular text input field with a light gray border. On the right side, there is a vertical scroll bar with a small upward-pointing triangle at the top and a downward-pointing triangle at the bottom. On the bottom side, there are two small square buttons with left and right-pointing triangles, respectively.
