If you already have a dentist that is not on the above list, ask them if he/she will treat you while you are on MA. If a dentist on this list is not taking MA patients at the time you call, ask if they have a waiting list that you can be put on. Also, always verify with the dental office that they are currently accepting the form of Medical Assistance that you have.

Si ya tiene un dentista pero no es parte de esta lista, pregúntele si le atenderá mientras esté en Asistencia Médica. Si un dentista de esta lista no está recibiendo pacientes con Asistencia Médica, pregúntele si lo puede poner en una lista de espera. Recuerde siempre verificar que la oficina dental acepta el tipo de Asistencia Médica que usted tiene.
