The granting of this permit does not exempt the permittee from having to secure other permits from other Local (Goodhue County), State, or Federal units of government which may have jurisdiction over portions of the authorized project.

GENERAL PROVISIONS

1. No changes in plans or specifications can be made to the work authorized herein unless such change is first approved in writing by the permitting authority.
2. Permittee shall grant access to the site at all reasonable times so that the permitting authority or its agent(s) may conduct inspections to verify compliance with the terms and conditions of this permit.
3. The construction site shall be kept reasonably free of debris at all times so as to not create a public nuisance.
4. Permittee shall install appropriate erosion control measures to prevent erosion from the project site onto adjacent parcels of land, public waters, public roads, ditches, etc. Permittee shall cease all construction activities until any such problem is corrected as verified by the permitting authority.
