To:	Goodhue County Technology Committee
From:	John M. Smith, IT Director
Date:	October 25, 2018
Subject:	Update on 2018 Technology Related Projects

Listed below are some of the technology related projects budgeted or planned for 2018:

1. Assist Sheriff's Office with Interview Room Upgrades
    Completed

2. Upgrade Network Connections to Public Works and Health & Human Services Building
    Complete, pending final backbone connection in main Data Center

3. Increase Wireless Network Coverage at Government Center Campus
    Installation of hardware replacements complete
    Installation of additional hardware pending cable installation

4. Assist Recorder's Office with EDMS Upgrades
    In progress; delayed due to software issues; estimated completion November 2018

5. Renegotiate Microsoft Volume Licensing agreement
    Completed

6. Assist Auditor/Treasurer Office with Property Tax System Upgrades
    Software has been sold; new owner is Avenu Insights & Analytics (Avenu)
    Unknown what effect this will have on the planned migration to a Windows environment

7. Assist Sheriff's Office with Body Camera Implementation
    On hold pending state and local policy decisions

8. Install Fire Suppression system in IT Data Center
    Completed

9. Implement or Upgrade Several IT Systems:
    a. Remote Desktop Support – Complete
    b. Inventory System – Complete
    c. Phone System Software Upgrade - Complete

       d. Network Management & Security – Not started
       e. Help Desk Software – Not started
       f. Public Auction of surplus IT Equipment – In Progress

10. Information Security – Continuing Activities
       a. Developed internal web pages for Information Security Awareness
       b. Implementing policies to address PC end-user security: ~75% complete
       c. Participating in national cybersecurity organizations, such as MS-ISAC, CIS, and HSIN
