**COUNTY ROAD 2
RECONSTRUCTION
PROJECT
OPEN HOUSE**

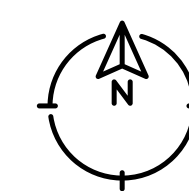

PROJECT BACKGROUND

Goodhue County is proposing to reconstruct County Highway 2 from County Highway 5 to Trunk Highway 61.

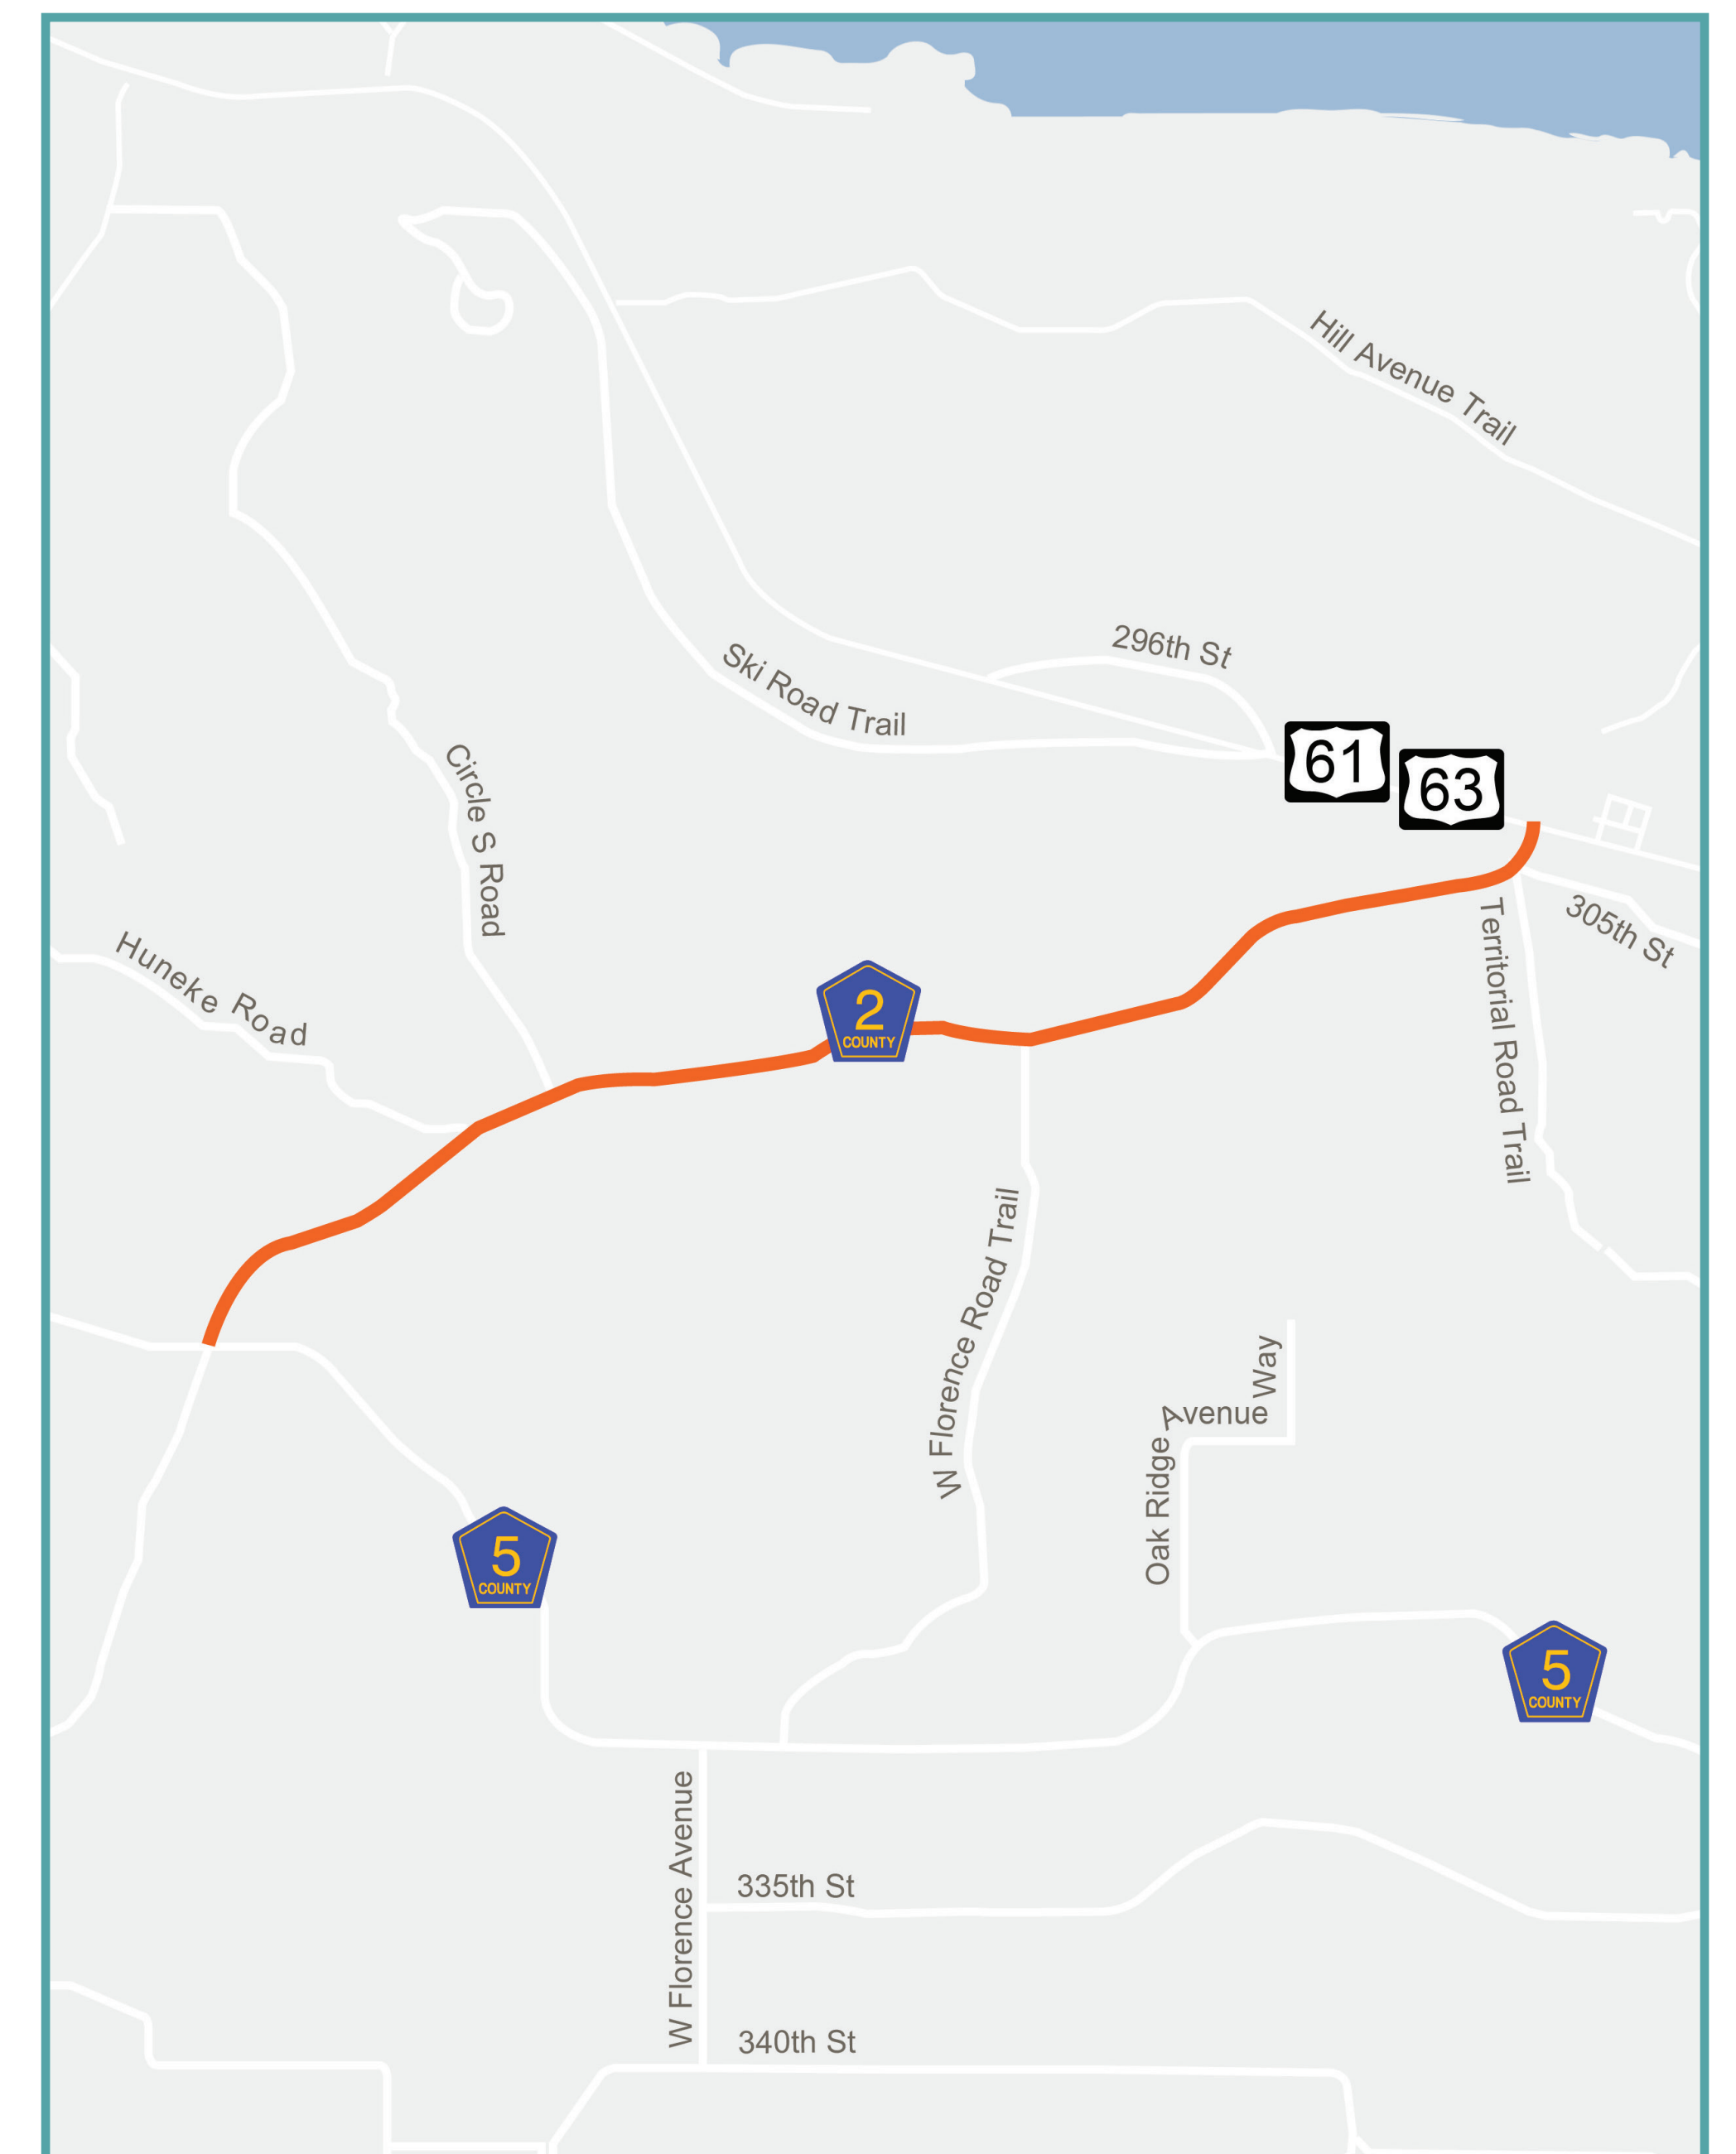

County Highway 2 will be reconstructed to meet current State Aid standards for high-speed, rural roadways. These improvements will require modification of the road corridor to accommodate the addition of wider shoulders and safe side slopes. This project improves the safety of the corridor for all users now and for the next 50 years. It is anticipated the improvements will begin construction in 2024.

COUNTY ROAD 2 RECONSTRUCTION PROJECT
